

**FILED**  
KING COUNTY, WASHINGTON

NOV 20 2020

SEA  
SUPERIOR COURT CLERK

SUPERIOR COURT OF WASHINGTON  
FOR KING COUNTY

IN THE MATTER OF THE RESPONSE  
BY THE KING COUNTY SUPERIOR  
COURT TO THE PUBLIC HEALTH  
EMERGENCY IN WASHINGTON STATE

NO. 20-0-12050-5 SEA  
  
EMERGENCY ORDER 21 RE:  
EVICITION RESOLUTION PROGRAM

This matter comes before the Court with respect to the current public health emergency in Washington State.

Pursuant to its inherent power and responsibility as the judiciary, the Court, on its own motion, makes the following findings of fact and enters this Emergency Order.

**Findings of Fact**

1. Nearly one million people in Washington state have lost their jobs or have had employment hours severely curtailed because of the COVID-19 emergency.

2. The widespread loss of income has made it impossible for many families and individuals (tenants) to keep current in rental payments.

3. Various federal, state, and local orders have prohibited most evictions during the COVID-19 emergency, but such orders will be lifted at some point.

4. Many residential landlords face hardship and significant loss of income due to the inability of their tenants to keep current in paying their rent, and due to the prohibition on evictions established by federal, state, and local eviction moratoria.

1           5.       Many residential renters currently face substantial arrearages and threat of eviction  
2 upon termination of federal, state and local eviction moratoria.

3           6.       This Court's operations have been curtailed substantially since April 2020 due to  
4 COVID-19, and the Court continues to face a substantial hearing backlog related to civil, criminal,  
5 juvenile, and child welfare matters.

6           7.       Given the severe administrative backlog this Court is facing, the anticipated  
7 number of unlawful detainer filings presents a threat to the capacity of this Court to hear and  
8 decide such cases fairly, consistently, and within statutory deadlines.

9           8.       State and local rent-assistance programs offer the opportunity for immediate  
10 assistance in addressing rent arrearages (or portions thereof).

11          9.       By order dated September 9, 2020, the Washington Supreme Court authorized  
12 establishment of Eviction Resolution Programs ("ERP") in all Superior Courts, and authorized  
13 judicial officers to require participation in the program before eviction cases can proceed through  
14 the court process.<sup>1</sup>

15          10.      The goals of the ERP are to (a) resolve residential nonpayment-of-rent eviction  
16 cases prior to court action, through mediation and other alternative dispute resolution processes  
17 involving impartial Eviction Resolution Specialists trained and provided by local Dispute  
18 Resolution Centers; and (b) ensure that tenants have access to other community resources,  
19 including *pro bono* attorney representation where available, to reach solutions that stabilize  
20 households through relationship building.

21          11.      Courts in six (6) counties, including this Court, have agreed to implement a pilot  
22 ERP program in their respective counties.

23  
24 <sup>1</sup> Supreme Court Order Authorizing Eviction Resolution Program in Superior Courts, No. 25700-B-639:  
25 <http://www.courts.wa.gov/content/publicUpload/Supreme%20Court%20Orders/EvictionsResolutionProgramAuthorizingOrder090920.pdf>

1           12.     It is anticipated that when state and federal eviction moratoria are lifted, the number  
2 of unlawful detainer cases will be greatest in the six (6) pilot counties.

3           13.     *Prior to* the expiration of any state and/or local eviction moratoria, the pilot ERP  
4 *encourages* landlords to notify their tenants of the opportunity to work with local Dispute  
5 Resolution Centers and local Housing Justice Projects to resolve rent-payment issues.

6           14.     *After* the expiration of such moratoria, the pilot ERP *requires* landlords to comply  
7 with the requirements of the ERP, including Tier 1 and Tier 2 notification and engagement  
8 processes, prior to serving or filing a summons and complaint for eviction for non-payment of  
9 rent.

10          15.     The Dispute Resolution Center of King County ("DRC") and the King County Bar  
11 Association Housing Justice Project ("HJP") are prepared to help residential tenants and landlords  
12 resolve rent-payment issues through non-judicial processes, including the ERP.

13          16.     The Administrative Office of the Courts ("AOC") has engaged the DRC and the  
14 HJP to work with the King County Superior Court, and those agencies are integral components of  
15 this Court's pilot ERP.

16          17.     The Court has designated Commissioner Henry Judson to serve as the procedural  
17 point person to work with the HJP, the DRC, and other relevant stakeholders on the  
18 implementation and ongoing administration of the pilot ERP. The Court certifies that such  
19 designation has been provided to the AOC.

20          18.     The Court finds that opportunities for effective resolution of residential  
21 nonpayment-of-rent eviction cases (a) will be enhanced by early notification to and involvement  
22 of Eviction Resolution Specialists and attorneys for tenants; (b) will allow landlords and tenants  
23 to resolve their rent-payment issues efficiently and informally; and (c) will divert residential  
24

1 eviction cases from this Court, which in turn will help ensure that all of the Court's dockets are  
2 managed effectively.

3 **Order**

4 NOW, THEREFORE, IT IS ORDERED THAT THE FOLLOWING PROCESS IS  
5 IMPLEMENTED.

6 THE FIRST PART OF THIS PROCESS, UNDER PARAGRAPH ONE, IS OPTIONAL.  
7 THE SECOND PART OF THE PROCESS UNDER PARAGRAPH TWO IS  
8 MANDATORY.

9 1. ***Optional: During any federal, state, or local eviction moratorium,*** in any situation  
10 in which a residential tenant is in arrears in paying rent, the landlord is *encouraged* to notify the  
11 tenant of the opportunity to work with the Dispute Resolution Center of King County to resolve  
12 the rent-payment dispute, using the following two-tiered notification process.

13 A. **Tier One – Initial Notice.** The landlord is encouraged to deliver a notice  
14 (“**Initial Notice**”) to the tenant. “**Deliver or delivery**” means: a notice  
15 sent in any one of three ways: in person, by email, or by mail. The notice  
16 should include contact information for the Dispute Resolution Center of  
17 King County, contact information for the King County Bar Association

20 B. **Tier Two – Second Notice.** If the tenant does not respond to the landlord's  
21 initial notice within ten days, the landlord is encouraged to deliver the Ten-

23 copy of the Second Notice to the Dispute Resolution Center of King County

The Dispute Resolution Center also will refer the matter to the King County Bar Association Housing Justice Project. Both agencies will attempt to (1) work with the tenant and the landlord to resolve the issues of non-payment and future rent payments, by mediation or otherwise; and (2) assist the tenant in accessing rent/landlord assistance programs that may be available to the tenant.

2. ***Mandatory: After the expiration of all federal, state, and local eviction moratoria***, in any situation in which a residential tenant is in arrears in paying rent, and prior to serving or filing a summons and complaint for eviction for nonpayment of rent, the landlord, or the landlord's counsel, ***shall comply*** with all procedural requirements of the Eviction Resolution Program, including the following two-tiered notification process.

A. **Tier One –Fourteen-Day Notice**. The landlord shall deliver an initial notice (“**Fourteen-Day Notice**”) to the tenant in person, by email, or by mail.
